PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 CFR 1.181(a)

Mail Stop Issue Fee Office of Petitions Commissioner for Patents PO Box 1450 Alexandria, VA 22313-1450

Sir:

Applicant hereby petitions for withdrawal of the holding of abandonment in the above-identified application on the grounds that (1) a Response to the Notice to File Missing Parts was timely and properly mailed, and (2) a Petition to Withdraw Holding of Abandonment was timely and properly mailed. On September 3, 2002, a Notice of Abandonment was mailed stating that Applicant failed to timely or properly reply to the Notice to File Missing Parts mailed on June 5, 2001. Applicant respectfully requests reconsideration based on the facts outlined below.

1. A Reply to the Notice to File Missing Parts was timely and properly mailed.

A Notice to File Missing Parts was mailed on June 5, 2001 explaining that the oath or declaration was missing and a properly signed oath or declaration in compliance with 37 CFR 1.63 identifying the application by the above application number and filing date as well as a late filing fee or oath or declaration surcharge as set forth in 27 CFR 1.16(e) must be submitted to

avoid abandonment of the application. A shortened statutory period of two months from the mailing date of the Notice was set for reply. On November 5, 2001, Applicant filed a Petition for Extension of Time requesting a three-month extension for filing of the Response to File Missing Parts accompanied by a check of \$460.00 as well as authorization to charge our Deposit Account No. 061910 any fees necessary. Applicant received a postcard stamped December 6, 2001 indicating receipt of the November 5, 2001 submission but also indicating that a check in the amount of \$460.00 was not received. However, the November 5, 2001 submission included explicit authorization to charge our deposit account any fees necessary to enter the submission and our deposit account was in fact charged in the amount of \$460.00 on December 11, 2001.

On November 14, 2001, it was realized that the Response had not been included in the November 5, 2001 submission. Thus, on November 14, 2001, Applicant filed a new Petition for Extension of Time requesting a four-month extension of time for filing of the Response to File Missing Parts accompanied by a check for \$260.00 (the difference between the three-month extension fee of \$460.00 already paid by the applicant in the November 5, 2001 submission and the four-month extension fee of \$720.00 required for the November 14, 2001 submission) and authorization to charge any fees required to our Deposit Account No. 061910. Included in the November 14, 2001 submission was a Response to Notice to File Missing Parts including a Declaration and Power of Attorney for each inventor. Applicant received a postcard stamped December 27, 2001 indicating receipt of the November 14, 2001 submission.

2. A Petition to Withdraw Holding of Abandonment for Failure to reply to Notice to File Missing Parts was timely and properly mailed.

On September 3, 2002, a Notice of Abandonment was mailed stating that Applicant failed to timely or properly reply to the Notice to File Missing Parts mailed on June 5, 2001. On

October 2, 2002, a Petition to Withdraw Holding of Abandonment for Failure to reply to a Notice to File Missing Parts was filed accompanied by a check in the amount of \$130. Applicant received a postcard stamped October 2, 2002 indicating receipt of the Petition. Applicant has recently contacted the PTO and learned that no records of the Petition can currently be found.

Enclosed is a copy of the docket record for the above-identified case showing the submission of the Response to the Notice to File Missing Parts dated November 14, 2001 and also showing the submission of the Petition to Withdraw Holding of Abandonment dated October 2, 2002. Also enclosed is a copy of our Deposit Account Statement for December 2001 showing a charge in the amount of \$460.00 for U.S. Application Number 09/834,332. Please note that attorney docket number 43163.345 rather than the correct number 43163.325 is listed in connection with this charge. While an error was made with respect to the correct attorney docket number, the Deposit Account Statement clearly shows that the \$460.00 charge was for the correct U.S. Application Number 09/834,332. Finally enclosed are copies of the November 5, 2001, November 14, 2001, and October 2, 2002 submissions as well as copies of the postcards date stamped by the PTO indicating receipt of each of these submissions.

In light of the information provided above, Applicant respectfully requests and petitions for the holding of Abandonment to be withdrawn and for the application to be reinstated and any outstanding fees required to be charged to our Deposit Account No. 061910. A check in the amount of \$130.00 is enclosed to cover the fees for the present Petition. If any additional fees are required for this Petition or to reinstate the above application, they may be charged to our Deposit Account No. 061910.

PETITION FOR EXTENSION OF TIME UNDER 37 CFR 1.136(a)

This is a request under the provisions of 37 CFR 1.136(a) to extend the period for filling a Notice of Missing Parts in the above identified application. The Notice to File Missing Parts of Nonprovisional Application mailed June 5, 2001, the shortened-statutory time period for response of which expired on August 5, 2001. Accordingly, an extension of time for four months (37 CFR 1.17(a)(4)) is required. The appropriate non-small-entity fee for an extension of time of four months is \$1440.00. Applicants claim small entity status. See 37 CFR 1.27. Therefore, the fee amount is reduced by one-half, and the resulting fee is \$720.00.

Applicants previously filed, on November 5, 2001, a Petition for Extension of Time Under 37 CFR 1.136(a) requesting an extension of time for three months (37 CFR 1.17(a)(3)). In that request, Applicants submitted a check in the amount of \$460.00. Applicants did not, at that time, file a Response to Missing Parts. The difference between the three-month extension fee already paid by applicant (\$460.00) and the four-month extension fee required for this submission (\$720.00) is \$260.00. Accordingly, a check in the amount of \$260.00 is included herewith.

The Commissioner is hereby authorized any additional fees required in connection with this submission to Deposit Account No. 061910. I submit that I am the attorney of record and

am an attorney under 37 CFR 1.34(a). If the Office has any questions or needs clarification of any additional facts, the undersigned would welcome a call at the number listed below.

RESPONSE TO NOTICE TO FILE MISSING PARTS

This submission is filed in response to the Notice to File Missing Parts of Non-Provisional Application mailed June 5, 2001. Applicants did not, at that time, file a Response to Missing Parts.

Enclosed for filing in this application is the required "Declaration and Power of Attorney for Patent Application" and check in the amount of \$65.00 to cover the surcharge and filing fees. Also enclosed is a copy of the Notice to File Missing Parts, as required. Applicant is entitled to small entity status in accordance with 27 CFR 1.27.

The Commissioner is hereby authorized any additional fees required in connection with this submission to Deposit Account No. 061910. A duplicate copy of this submission is enclosed. PETITION TO WITHDRAW HOLDING OF ABANDONMENT REPLY TO NOVICE TO FILE MISSING PART MAILED

Applicant hereby petitions for withdrawal of the holding of abandonment in the present application on the basis that a reply to the Notice to File Missing Parts was timely and properly mailed. On September 3, 2002, a Notice of Abandonment was mailed stating that Applicant failed to timely or properly reply to the Notice to File Missing Parts (Notice) mailed on June 5, 2001. Applicant respectfully requests reconsideration based on the facts outlined below.

The present application was filed April 13, 2001, accompanied by a preliminary amendment. A Notice to File Missing Parts was mailed on June 5, 2001 explaining that the oath or declaration was missing and a properly signed oath or declaration in compliance with 37 CFR 1.63 identifying the application by the above Application Number and Filing Date as well as a late filing fee or oath or declaration surcharge as set forth in 27 CFR 1.16(e) must be submitted to avoid abandonment of the application. A shortened statutory period of two months from the mailing date of the Notice was set for reply. On November 5, 2001, Applicants filed a Petition

for a three-month Extension of Time for filing of the Reply to File Missing Parts accompanied by a check of \$460.00 as well as authorization to charge our Deposit Account No. 061910 any fees necessary. Applicants received a postcard stamped December 6, 2001 indicating receipt of the November 5, 2001 submission but also indicating that a check in the amount of \$460.00 was not received. On November 14, 2001, it was realized that the Reply had not been mailed on November 5, 2001. Thus, on November 14, 2001, Applicants filed a new Petition for Extension of Time requesting an extension of time of four months accompanied by a check for \$260.00 (the difference between the three-month extension fee of \$460.00 already paid by the applicant and the four-month extension fee of \$720.00 required for the November 5, 2001 submission) and authorization to charge any fees required to our Deposit Account No. 061910. Included in the November 14, 2001 submission was a Response to Notice to File Missing Parts including a Declaration and Power of Attorney for each inventor. Applicants received a postcard stamped December 27, 2001 indicating receipt of the November 14, 2001 submission. While it appears that the November 5, 2001 and November 14, 2001 submissions were missing a check in the amount of \$460.00, each submission included explicit authorization to charge our deposit account any fees necessary to enter the submission.

Attached is a copy of the docket record for the above-identified case showing receipt of the Notice to File Missing Parts and Response date of November 14, 2001. Also included are the November 5, 2001 and the November 14, 2001 submissions as well as the postcards date stamped by the PTO indicating receipt of each of these submission.

In light of the information provided above, Applicant respectfully requests and petitions for the holding of Abandonment to be withdrawn and for the application to be reinstated and any outstanding fees required to be charged to our Deposit Account No. 061910. A check in the

amount of \$130.00 is enclosed to cover the fees for the present Petition. If any additional fees are required for this Petition or to reinstate the above application, they may be charged to our Deposit Account No. 061910.
